

Welcome to Las Palmas de Gran Canaria
Your adventure starts here!

Welcome to Las Palmas de Gran Canaria

Welcome to Las Palmas de Gran Canaria, the home of the ARC and ARC+ start and the gateway to your Atlantic adventure.

Arriving in Las Palmas marks an exciting milestone on your journey. After making your way south through Europe and across to the Canary Islands, you've reached the place where the countdown to your Atlantic crossing truly begins. Over the coming weeks, the marina will fill with hundreds of yachts and crews from around the world, creating a unique atmosphere of anticipation, friendship and shared adventure.

While preparing your yacht and crew for departure will be your priority, we encourage you to make time to enjoy everything that Las Palmas and Gran Canaria have to offer. Las Palmas is a vibrant coastal city with a fascinating history, bustling cafés and restaurants, and the Las Canteras Beach just a short walk from the marina. Beyond the city, Gran Canaria is often described as a "continent in miniature", with dramatic volcanic landscapes, charming mountain villages, scenic viewpoints and beautiful beaches all waiting to be explored. Whether you're looking for a leisurely lunch, a day in the mountains or simply a chance to relax before departure, the island offers something for everyone.

Inside this Welcome Pack you'll find practical information on local marine services, provisioning, repairs, transport and businesses that regularly support ARC and ARC+ participants, along with ideas to help you make the most of your stay. As you enjoy your time ashore, don't forget to complete the Safety Equipment Checklist in your Rally Handbook and carry out any final preparations for your Atlantic crossing. If you need any last-minute equipment, **Rolnautic Chandlery**, located in the boatyard, offers all ARC and ARC+ participants a **10% discount**.

Our team looks forward to welcoming you when the Rally Office opens and will be on hand throughout your stay to support you every step of the way.

We hope this Welcome Pack helps you make the most of your time in Las Palmas.

Enjoy your stay, explore Gran Canaria, and savour every moment before your Atlantic adventure begins.

Your Stay at Las Palmas Marina

Las Palmas Marina is one of the world's leading stopovers for bluewater cruisers, welcoming more than 1,000 visiting yachts each year. Its excellent facilities, strategic location and vibrant cruising community make it the perfect place to prepare for an Atlantic crossing.

Over recent years, the marina has undergone significant investment, including new pontoons, upgraded reception and marina offices, improved shower and toilet facilities, and an expanding range of waterside cafés, bars and restaurants. Together with the nearby Sotavento Centre, the marina offers a lively atmosphere where crews can meet fellow sailors, relax after a day of boat preparations and enjoy the build-up to the rally start.

Berths are allocated by the marina according to yacht size and type. Larger monohulls are typically berthed stern-to along the Dique Este wall, while other monohulls are accommodated throughout the marina. Multihulls are often berthed in the Vela Latina basin at the southern end of the harbour.

Berthing charges are explained in detail in your Rally Handbook. As a public marina, fees are generally lower than those at many privately operated marinas, although local charging regulations can make invoices appear more complex. Yachts staying for more than six months may be eligible for a **20% discount** on berthing fees when paid in advance.

All visiting yachts are required to purchase marina access cards, available from the marina office. Current charges are **€5 for stays of up to one month and €10 per month for longer stays of one to six months**.

If you plan to leave your yacht unattended during your stay, please inform the marina office and refer to the guidance in your Rally Handbook before making arrangements.

The marina team is always happy to assist with local information and practical advice. Once the ARC and ARC+ Information Centres open, the World Cruising Club team will also be on hand to support you throughout your stay. In the meantime, you can keep up to date with the latest rally information through the Members Area and the regular rally newsletters.

Family Crews

Wherever possible, yachts with children and young people on board will be berthed together during the pre-departure programme. This helps families meet one another, gives younger crew the opportunity to make new friends, and creates a supportive community before the Atlantic crossing.

If you have children or youth sailing with you, please ensure that World Cruising Club has been informed so we can allocate berths accordingly.

Discover Las Palmas & Gran Canaria

Las Palmas de Gran Canaria is the vibrant capital of Gran Canaria and the Canary Islands, offering the perfect blend of history, culture, beaches and year-round sunshine. As one of Europe's premier cruising destinations, it's the ideal place to relax, explore and prepare for your Atlantic crossing.

Just a short walk from the marina is Las Canteras Beach, widely regarded as one of the finest urban beaches in the world. Stretching for over 3km, its golden sand, sheltered waters and lively promenade make it the perfect place to unwind, enjoy a meal by the sea or try activities such as swimming, surfing and snorkelling.

The city is also a shopper's paradise, with everything from traditional markets and independent boutiques to modern shopping centres and well-known international brands. Wander through the charming streets of Triana and the historic district of Vegueta, where colourful colonial buildings, museums, cafés and tapas bars create one of the city's most atmospheric neighbourhoods. Thursday evenings are particularly popular for tapas in Vegueta, when locals and visitors alike fill the streets and plazas.

If you have time to explore further afield, Gran Canaria is often described as a "continent in miniature" thanks to its incredible variety of landscapes. In less than an hour, you can travel from golden beaches to dramatic mountain scenery, traditional villages and lush pine forests.

Don't Miss

Las Canteras Beach – One of Europe's best urban beaches, perfect for relaxing, swimming and watersports.

Vegueta – The historic heart of Las Palmas, home to beautiful architecture, museums and lively tapas bars.

Santa Ana Cathedral – An impressive landmark overlooking the old town, with panoramic views from its bell tower.

Casa de Colón – A fascinating museum exploring Christopher Columbus' voyages and the Canary Islands' role in Atlantic exploration.

Jardín Botánico Viera y Clavijo – Spain's largest botanical garden, showcasing hundreds of native Canary Island plant species.

Teror – A picturesque mountain town famous for its traditional balconies, basilica and lively Sunday market.

Maspalomas – Home to the island's spectacular sand dunes and sweeping Atlantic beaches.

Puerto de Mogán – A charming harbour village known for its canals, colourful buildings and relaxed waterfront restaurants.

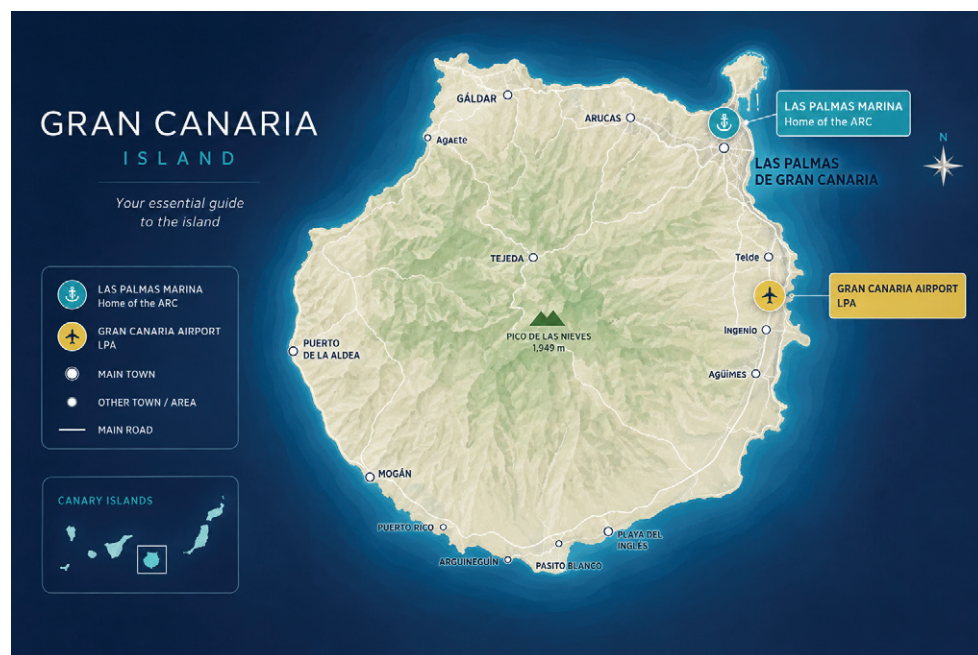

For more inspiration, local events and visitor information, visit the official tourism websites for Gran Canaria and Las Palmas.

Getting to Las Palmas Marina

Gran Canaria Airport (LPA) is located approximately 20km south of Las Palmas Marina, with a journey time of around 30 minutes by road.

Regular public buses connect the airport with the city, while taxis are readily available outside the terminal. A taxi to the marina typically costs around €35, depending on the time of day and traffic.

For more detailed travel information and directions, please refer to your Rally Handbook.

Dolar Rent a Car

As the **official vehicle rental supplier** for the ARC & ARC+, local supporters **Dolar Rent a Car** are the only car rental company permitted to operate from Las Palmas Marina during the ARC.

Whether you are planning to explore Gran Canaria, collect visiting crew, or make local trips for provisioning and preparations, Dolar Rent a Car offers convenient access for ARC+ & ARC participants.

Repairs & Marine Services

Gran Canaria offers some of the most comprehensive yacht repair and maintenance facilities in the Canary Islands, with experienced marine specialists able to undertake everything from routine servicing to major repairs.

Many local businesses regularly work with visiting cruising yachts and ARC participants, making Las Palmas an excellent place to complete any final work before your Atlantic crossing. Most marine services are based in Urbanización El Sebadal, the industrial area located just north of the commercial harbour, while others operate within or close to the marina.

Before authorising any work, it is good practice to request a written quotation and agree the scope of work in advance. Please note that many specialist contractors charge a call-out fee for visits to the marina, regardless of the size of the job.

Enjoying Las Palmas before your crossing

Accommodation

Las Palmas offers a wide range of accommodation options, with several large hotels located close to the marina, as well as a good selection of hotels throughout the city. Apartments, villas and hotels are also available in the main tourist areas in the south of the island, approximately a 50-minute drive from the marina.

November remains a popular time to visit, thanks to Gran Canaria's year-round temperate climate, so it is recommended that you book accommodation well in advance.

Other accommodation options within walking distance of the marina include:

- Hotel Occidental Las Palmas
- Hotel Fataga
- AC Hotel Gran Canaria
- AC Hotel Iberia
- Casa Mozart
- Alcaravaneras Hostel

Bars in and Around the Marina

Eating out in Las Palmas

Restaurants

Dining out in Las Palmas is a real pleasure, with excellent food at affordable prices. The city offers hundreds of restaurants, from traditional tapas bars and bodegas to Indian, Chinese, Japanese, Italian and other international cuisine.

The marina itself has a great selection of restaurants and cafés. For more choice, explore **Triana and Vegueta**, the historic heart of the city, where you'll find tapas bars, traditional Canarian restaurants and lively squares. Or head to **Playa de Las Canteras**, where restaurants and cafés line the seafront – perfect for an evening stroll and some people watching. **Santa Catalina** is another lively area with plenty of bars and restaurants close to the marina.

Remember that Canarians tend to eat late, so for the best atmosphere, plan to head out for dinner around 21:30–22:00.

ARC 2026

HOMEMADE MEALS

FOR A COMFORTABLE & ENJOYABLE CROSSING

We prepare homemade, natural meals so crews can enjoy good food on board during the ARC crossing.

“
Eating well
is also part of the journey.”

A practical way to enjoy the crossing without giving up homemade food.

HOMEMADE
Traditional recipes
cooked with
the flavor of home.

LOCAL & SEASONAL
Carefully selected
ingredients for
a natural approach.

TAILORED TO YOU
Options adapted to
the tastes and needs
of each crew.

MORE FOOD. LESS SPACE.

Vacuum-packed meals save space, are easy to store and make meal preparation on board simpler.

TAKES LESS SPACE
Designed to make the
most of the space
available on board.

ORGANIZED
Easy to organize
and store.

EASY TO PREPARE
Practical, clean
and easy to cook.

READY TO ENJOY
Just heat, serve
and enjoy.

A SERVICE TAILORED TO EACH CREW

Before preparing each order, we talk with every crew to understand their needs and adapt our offer.

THIRD SEASON WITH THE ARC
Three seasons have allowed us to better understand the needs of crews facing such a special crossing and to make our service even more practical.

WHAT WE OFFER

- ✓ Homemade meals with traditional recipes.
- ✓ Local and seasonal products.
- ✓ Natural ingredients.
- ✓ Vacuum-packed meals.
- ✓ Gluten-free, vegetarian and vegan options.
- ✓ Ready-to-heat, serve and enjoy meals.

WE TAKE CARE
OF THE FOOD,
SO YOU CAN ENJOY
THE JOURNEY.

Essential services & facilities in Las Palmas

Las Palmas has all the essential services and facilities you may need during your stay before the ARC start, from mail and laundry services to healthcare, pet arrangements, tourist information and yacht clubs.

Sending & receiving mail

The Canary Islands are part of Spain and the European Union customs territory, but they operate under a different tax system (IGIC). Sending packages to Las Palmas Marina can take longer than deliveries to mainland Europe and may incur additional customs charges.

We strongly recommend reading the detailed guidance on sending and receiving mail in your Rally Handbook (pages 03/18–19) before arranging deliveries.
