

Invite crew to join your boat

How to add and invite crew in 3 steps

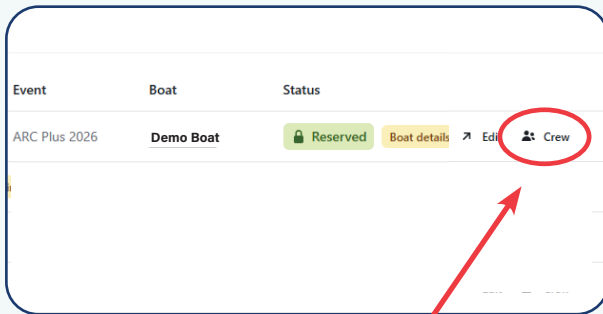

1

Go to Bookings

Log in to the Members Area and click on the **Bookings** tab to view your event booking.

Once logged in - go to **BOOKINGS** and then choose the Rally booking for which you would like to add crew to

Click the **Crew** button located at the right of the Rally Booking that you are adding crew to.

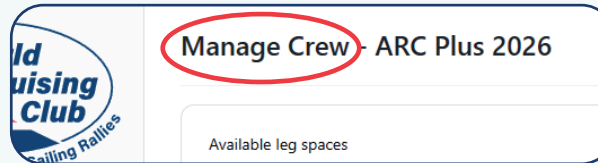

2

Add Crew

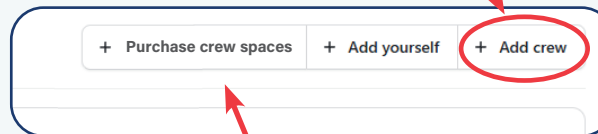

Click the **Add Crew** button at the top right of the screen.

Once in your **Manage Crew** area.

If you have sufficient crew spaces click the **+ Add crew** button located at the top right of the screen.

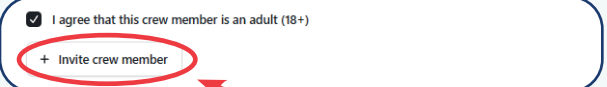

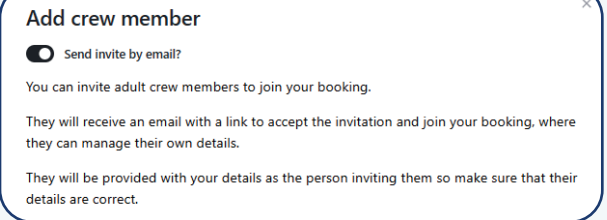

If you have insufficient crew spaces, you'll need to **+ Purchase crew spaces** before adding crew.

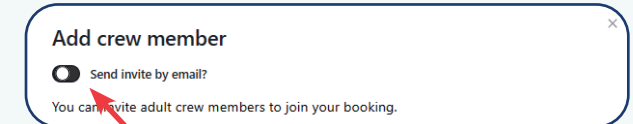

3

Fill in the details

Complete the crew member's details and click **Invite** to send them an invitation.

Click the **+ Invite crew member** button to send the invite

To add a child or youth to your crew, switch off **"Send invite by email"**

You're all set!

Your crew member will receive an email invitation to join your boat and complete their registration
